Dear Brothers & Sisters in Christ,

These last two years have been a roller coaster! But we believe things are finally settling down and we are experiencing our new "normal" at Faith.

We have observed a few things in this new normal when it comes to worship. Our 9:30am worship has become our most well attended service and is also the most frequently visited by new faces. Additionally, we have noticed that visitors also frequent the 11:00am service, but are still interested in our traditional liturgy and music. Finally, we are delighted by the Sunday night attendance in our Youth Programming, it's been booming!

These developments have given us an opportunity to restructure around our growth areas and provide two vibrant and growing worship services on Sunday mornings. So, we are prayerfully moving forward with changes to our Sunday morning worship schedule.

Beginning Sunday, June 12th, worship at Faith will look like this:

- 9:00am Traditional Worship
- 10:30am Traditional Worship

Additionally, in the Fall of this year:

- Adult and Children's Sunday School will run concurrently during the 9:00am worship
- A new "Children's Church" ministry will be available during the 10:30am worship
- A new "Sermon Deep Dive" Bible study will be led by the pastor on Sundays at 11:30am
- A new contemporary worship will begin on Sunday evenings (more information coming as we get closer to launch!)

We are excited about the possibilities these new worship times and ministries will bring and pray the Holy Spirit guides us as we navigate them! And we ask you to join us in praying for these changes, as all change can come with challenges.

We understand these changes may impact your Sunday worship experience. If you have questions or concerns, don't hesitate to reach out to our council leadership, staff members, or Pastor Candice.

In service to Christ,
Faith Lutheran Church Council Leadership
